PROFILE

I am a MERN Stack Web Developer with a good grip on frontend web development. Experienced in building responsive, interactive, and visually appealing web applications using React & Next. Skilled in creating clean, user-friendly interfaces and ensuring smooth navigation. Continuously improving coding skills and exploring new frontend technologies to enhance performance and learn more.

WORK EXPERIENCE

Zircon Club PCE   2024-2025
Team Leader - Web Development

- Create the website for annual tech fest AADHAR and manage the backend and database.
- Lead, mentor, and manage a high-performing developing and designing team, fostering a collaborative and results-driven work environment.

CYNBIT Technologies   2024
Intern - Web Development

- Developed and improved frontend features using React, HTML, CSS, and JavaScript.
- Created responsive and user-friendly web interfaces for a better user experience.
- Integrated APIs to fetch and display dynamic content.
